SmartPAC PRO
Complete centralized control for all of your press automation.

Wintriss SmartPAC PRO - The Best Got Better

The new SmartPAC PRO is fully compatible with all SmartPAC components and modules including:

| The Wintriss Resolver	WPC Clutch Brake Control	DiProPAC for Die Sensor Monitoring	DiPro Sensor Interface (DSI 2)	ProCamPAC Programmable Limit Switch	AutoSetPAC for Tonnage Monitoring	WaveFormPAC for Tonnage Waveform Analysis	ProPAC for Analog Measurement	RamPAC to Automate Shutheight and Counterbalance Settings

Optimized Interface: The large, vivid touch-screen enables more efficient navigation and allows more information to be displayed.

Advanced Job Storage & Sharing Capabilities: SmartPAC PRO's searchable Tool Manager can store an unlimited number of tool programs to accommodate even the busiest shops, and can now share programmed setups among all networked SmartPAC PROs!

Automation Integration: If you use Wonderware® to create the HMIs for your ancillary automation, our optional Wonderware integration enables the SmartPAC PRO to be the last screen you'll ever need to put on your press.

Custom Home Screen Dashboards: Users can create custom home screen dashboards to display the information they use most often. These dashboards can be named and saved in the favorites menu, and quickly recalled any time.

Front Panel USB: Easy-to-access for backing up tool number memory, capturing screen shots, using a bar code scanner, and other USB functions.

Versatile Installation Options: The SmartPAC PRO HMI can be separated from the rest of the system, simplifying installation and wiring. An optional pendant arm and enclosure are also available for the SmartPAC PRO.

Wintriss Controls is a leading manufacturer of press automation, die protection and safety controls for metal stamping and forming industries; and data collection systems for all discrete manufacturing. We provide seminars for all products and OSHA compliance along with plant surveys. These products, which leverage Wintriss' 50+ years of experience in the metal stamping industry, are known for their proven performance and rugged dependability in the toughest factory environments. Wintriss equipment is backed by attentive service, timely repairs, and comprehensive spares inventories. A toll-free hotline gives customers immediate access to technical support experts for product information and applications assistance.
