

Shadow 9

The New Benchmark for Safety

Since 1973, Wintriss Shadow light curtains have been protecting machine operators. The new Shadow 9 uses the latest technology to continue the tradition.

- Easy to Use Programmable Blanking
- Alignment Indicators to Simplify Installation
- Improved Versatility
- Up to Three Sets of Heads can be Cascaded Together
- Specifically Built for the Pressroom
- 3rd Party Certified to UL/CSA/CE Standards
- Category 4 for High Risk Hazards

Visit us at Fabtech Booth #A5437 and see it for yourself.
